

# Glencrest Hills

On June 30, 2017 the Los Angeles City Council passed the application to name our community Glencrest Hills! We will also get signs with the city seal. You can read all about it at:

So now what? ALOT! We need YOU to be an active participant in our community which includes, coming to our meetings, joining our Facebook page and NextDoor, and hopefully soon when we offer CERT classes, you will have at least one member of your family take the course. As we presented to the City Council, "The more our neighbors know each other and can trust and communicate with each other, the better it is for dealing with our own issues." A unified voice is a strong voice.

*Please become an active member in our new community!*
